

POZARAZZI

Ferocious chanteuse Ute Lemper played cabaret for a cause this past August—at a New York City benefit for Braking the Cycle, a bike-riding benefit now in its fifth year. The proceeds from the event and the ride—100 cyclists pedaled 275 miles through New York, Pennsylvania and New Jersey in September—will assist HIV/AIDS programs at the Lesbian, Gay, Bisexual and Transgender Community Center in New York City.
